

CURRICULUM VITAE

EDUCATION

- Arizona State University, Tempe, AZ 2015 – 2018
Doctor of Philosophy, Department of Psychology
Behavioral Neuroscience & Comparative Psychology
Dissertation: *Understanding the Impacts of Breed Identity, Post-Adoption & Fostering Interventions, & Behavioral Welfare of Shelter Dogs*
- Arizona State University, Tempe, AZ 2013 – 2015
Master of Arts, Department of Psychology
Behavioral Neuroscience & Comparative Psychology
Thesis: *What's in a Name: Effects of Breed Perceptions & Labeling on Attractiveness, Adoptions, & Length of Stay for Pit-Bull-Type Dogs*
- The Evergreen State College, Olympia, WA 1999 – 2001
Bachelor of Arts, Journalism
- Elgin Community College, Elgin, IL 1996 – 1998
Associate of Arts, Communications

HONORS

- Nestlé Purina Companion Animal Award*, International Society for Applied Ethology Congress 2019, 2021
First Place Outstanding Writing in Psychology, Psychology Department, Arizona State University 2018
Outstanding Mentor Award, Graduate & Professional Student Association, Arizona State University 2018
Best Student Oral Presentation, Conference for the International Society of Anthrozoology 2016
Second Place Research Poster, Association of Professional Dog Trainers Annual Conference 2014
First Place Research Poster, Association of Professional Dog Trainers Annual Conference 2012
Trustee Foundation Scholarship, Elgin Community College 1996, 1997, 1998

ACADEMIC EXPERIENCE

- Virginia Tech, Blacksburg, VA
Adjunct Faculty 2022 – Present
Research Mentor 2021 – Present
Advise & collaborate with master's students on behavior & welfare research projects
Develop course syllabi & associated materials, deliver lectures, facilitate discussion, grade assignments & activities, administer exams, provide office hours, & support student learning
- Arizona State University, Tempe, AZ
Maddie's Fund Research Fellow 2018 – 2022
Oversee research grant on national deployment & evaluation of fostering programs with 100 animal shelters, including management of staff, graduate & undergraduate students

Arizona State University, Tempe, AZ
Graduate Student Teaching & Research Assistant 2013 – 2018
 Assisted faculty with lectures, graded assignments, oversaw class discussions, proctored exams, & supported students. Conducted research with graduate mentor, including designing experiments, collecting & analyzing data, & authoring publications

INSTRUCTIONAL EXPERIENCE

Virginia Tech, Blacksburg, VA
Instructor
 APSC 5984 (Managed Animal Ethology & Welfare) 2022

Arizona State University, Tempe, AZ
Instructor
 BIO/PSY 394 (Dog Behavior) 2017
 PSY 394 (Animal Cognition) 2017
Teaching Assistant
 PSY 230 (Introduction to Statistics) 2016
 PSY 101 (Introduction to Psychology) 2015

Ad Hoc Lectures
 University of Illinois at Urbana-Champaign: Behavior of Domestic Animals 2022
 University of British Columbia: Animal Shelter Management 2022
 Virginia Tech: Applied Animal Welfare & Behavior Master's Program Weeklong Intensive 2021, 2022
 Arizona State University: Introduction to Psychology 2018, 2019
 Desert Botanical Garden: Science of Dog Intelligence 2016, 2017, 2018, 2019
 Florence State Prison: Canine Science & Breed Labels in Animal Shelters 2016
 Arizona State University: Introduction to Statistics 2015
 Osher Lifelong Learning Institute: How Science is Helping Understand Man's Best Friend 2015

PEER-REVIEWED PUBLICATIONS

Gunter, L. M., Gilchrist, R. J., Blade, E. M., Reed, J., Foster, A., Isernia, L. T., Barber, R. T., Feuerbacher, E. N., & Wynne, C. D. (2022). Emergency Fostering of Dogs from Animal Shelters During the COVID-19 Pandemic: Shelter Practices, Foster Caregiver Engagement, & Dog Outcomes. *Frontiers in Veterinary Science*, 423.

Feuerbacher, E. N., & Gunter, L. (2015, January). Good Science: Skinner's Functional Relations and Dog Training. *The Scoop*.

GRANTS

Maddie's Fund

Research Fellow/Primary Researcher

Nationwide Deployment & Evaluation of Fostering Programs in Animal Shelters (\$1,728,495) 2018

Evaluation of Temporary Fostering Programs at Four US Animal Shelters (\$160,000) 2017

Temporary Foster Sleepover Grant (\$20,000) 2016

PetSmart Charities

Primary Researcher

Converging Evidence for Behavioral Indications of Welfare in Shelter Dogs (\$9,872) 2017

Arizona State University Graduate & Professional Student Association

Travel Grant (\$950) 2016

Association of Professional Dog Trainers Foundation

Graduate Student Mentor

Measuring the Efficacy of Primary & Secondary Reinforcers on Behavior Acquisition (\$1,500) 2016

Mars Veterinary

Primary Researcher

Reliability of Breed Information & Its Influence on the Adoption of Dogs (\$75,000) 2014

American Kennel Club Canine Health Foundation

Lead Researcher

Effect of Owner-Dog Exercise on Return Rates of Shelter Dogs (\$12,960) 2014

MENTORING EXPERIENCE

Rachel Lane

Virginia Tech – Applied Animal Welfare & Behavior Master's Program

Project: *Effects of An Owner-Education Invention on the Identification of Discomfort in Puppies* 2022 – Present

Jacqueline Drake

Virginia Tech – Applied Animal Welfare & Behavior Master's Program

Project: *Impacts of Shelter Housing on Canine Welfare* 2022 – Present

Nisa Semione

Virginia Tech – Applied Animal Welfare & Behavior Master's Program

Project: *Canine Nosework as an Intervention for Stress in Shelter Dogs* 2022 – Present

Sawyer Butterfield

Virginia Tech – Applied Animal Welfare & Behavior Master's Program

Project: *Effect of Sex on the Success of Canine Introductions* 2021 – Present

Skyler Howard

Virginia Tech – Applied Animal Welfare & Behavior Master's Program

Project: *Olfactory Enrichment in the Animal Shelter* 2021 – Present

James McGuirk & Adrienne Carson Virginia Tech – Applied Animal Welfare & Behavior Master’s Program Project: <i>State Dependent Learning in Shelter Dogs</i>	2021 – Present
Angelo La Rosa, Elizabeth Baker, & Emma Winiarski Paradise Valley High School – Center for Research in Engineering, Science & Technology Project: <i>Effects of Owner Characteristics on the Identification of Dog Vocalizations</i>	2020 – Present
Rachel Gilchrist Arizona State University – Barrett, The Honors College Behavioral Neuroscience & Comparative Psychology PhD Graduate Program Project: <i>Examining Owner Satisfaction After Participation in a Safety Net Fostering Program</i>	2020 – 2022
Project: <i>Understanding Volunteer & Staff Morale in Short-Term Fostering Programs</i>	2019 – 2022
Project: <i>Predicting Post-Adoption Behavior of Shelter Dogs Using a Modified CBARQ</i>	2017 – 2022
Project: <i>Efficacy of Primary and Secondary Reinforcers on Behavior Acquisition</i>	2015 – 2021
Anya Kolodisner Arizona State University – Barrett, The Honors College Project: <i>Coding Canine Interactions to Better Understand Relationships Among Dogs</i>	2021 – 2022
Larissa Vollin Arizona State University – Barrett, The Honors College Project: <i>Canine Social Interaction with Other Dogs and People in the Animal Shelter</i>	2020 – 2021
Domenic Redmond Arizona State University – Applied Behavior Analysis Master’s Program Project: <i>Effects of Luring on Behavioral Acquisition & Maintenance</i>	2019 – 2020
David Beckstrom-Sternberg Arizona State University – Barrett, The Honors College Project: <i>Sociability in Canids Other than Dogs and Wolves</i>	2017 – 2019

SCIENTIFIC PRESENTATIONS

Invited University Presentations

APPLIED EXPERIENCE

- Wagfield Academy
Co-Founder, Head of Training 2014 – 2018
 Created all training & behavior content of Wagfield's online dog training courses
 Acquired by Humane Society of the United States, Pets for Life (www.wagfield.com)
- Pawsitive Tails, San Francisco, CA
Manager of Behavior & Training Services 2010 – 2013
 Coordinated & conducted consultations, classes, & workshops for owners with dogs experiencing behavioral issues such as fear, anxiety, aggression as well as skills training
- Humane Society Silicon Valley, Milpitas, CA
Behavior Associate & Instructor 2009 – 2010, 2011
 Conducted behavior assessments, designed behavior modification plans, conducted adoption consultations & taught dog training classes
- Animal Humane New Mexico, Albuquerque, NM
Behavior Specialist 2008 – 2009
 Coordinated behavior modification, assessments, enrichment, & socialization of shelter dogs & cats. Provided behavioral consultations, answered behavior helpline & taught volunteer classes as well as dog training classes to adopters & the public
- Dumb Friends League, Denver, CO
Animal Behavior Manager 2008
 Managed behavior modification & enrichment programs for shelter cats & dogs. Provided behavior consultations, answered behavior helpline, taught obedience classes & workshops
- Pets Unlimited, San Francisco, CA
Dog Attendant Supervisor 2006 – 2008
 Oversaw canine behavior assessments, husbandry, enrichment, & behavior modification
- Peninsula Humane Society & SPCA, San Mateo, CA
Animal Behavior Assistant 2005 – 2006
 Conducted behavior assessments, created modification plans, volunteer facilitated classes & enrichment programs for shelter dogs & cats
